December 2011

A Message from Mrs. Alderman

Dear JLE Families....
I hope everyone had a wonderful time with their family and friends over the Thanksgiving Break. Now we are back in our final stretch before the semester ends. There are many activities taking place this month: PTA's Santa's Workshop, Student Council Holiday Grams, JLE Spelling Bee, Supercat Singer performance, and winter parties. As you can tell by the list, your children are going to be very busy here at school.

We continue to work on improving our attendance rate. Currently, we are at 94% and our overall goal is 97%. In order for our students to reach their academic potential, we need them to be here at school and on time. We appreciate all your hard work getting them here each and every day.

As it is the season of giving, I want to tell you how much I appreciate you giving your children to us each day to teach. We have special families here at JLE and it becomes more apparent as the days progress. The many different activities that take place throughout the year provide opportunities for parents to be involved in their children's education. It is important that we continue to demonstrate to the children the important connection between home and school

Have a Happy Holiday!
Jennie Alderman

NO SCHOOL

Christmas Break December 22-January 3

School Resumes on January 4, 2012

Happy Holidays

Food Service

Parents, you can view your students daily lunch purchases as well as make deposits to their accounts on the **Revtrak** website. Your students I.D. # is required for all transactions. Your student's I.D. # can be obtained by calling the school office at 224-1345. The **Revtrak** website is: <http://bluesprings.revtrak.net>

Cold Weather Time

A Blue Springs district committee comprised of staff and parent representatives have established cold weather guidelines for the district's elementary schools. The committee recommended, and the district has adopted, the following guidelines: Elementary level students will go outside unless the temperature, including wind-chill, drops below 20 degrees Fahrenheit. With colder weather fast approaching, we wanted to be sure our children were dressed appropriately for outdoor play.

Papa John's Pizza Night is December 14th

Enjoy some pizza and help support
your school at the same time.

Congratulations to Mrs. Kurucz's
class. They won the pizza party for
November.

Handicapped Parking

We've had some problems with people parking in the handicapped parking spaces with no indicators of anyone being handicapped. Please refrain from parking in those spaces as they are reserved for those individuals who have a disabling condition. Thank you for your attention to this matter!
