

# Attention All Parents, Friends, Neighbors, and Relatives of CLE

There is a way to help raise money for CLE without having to spend a dime. It only takes a couple of minutes at your computer to help the staff and students at CLE.

We are currently enrolled in the General Mills Box Tops for Education program. Right now there is an offer for our school to earn 10 extra box tops for just going to the website listed below and enrolling. It takes only a minute to complete the information. Please ask friends, neighbors, co-workers, and relatives to also go to the site to enroll. All proceeds earned through this project will go directly back to helping CLE purchase materials. Currently we are working to improve our literacy library for the children and providing teachers with professional materials to enhance teaching strategies. These funds will help these project tremendously! So please go to the site below and enroll today. This offer ends Oct. 31, 2006.

We thank you for your continued support to make CLE the best place for our children!
